

Letter from the Owner

My name is Carline Dupont. I hold a Master's degree in Early Childhood Education, with over 15 years of experience as an Early Childhood Educator. My number one priority is to provide your children with a safe and nurturing environment, as they strengthen their skills through developmentally appropriate practices. It is imperative that I, as an educator, collaborate with each parent to work as a team in providing your children with the best care and hands on learning experience that each child deserves. My vision is to create a healthy environment while displaying professionalism and knowledge in providing high-quality care for your children.

As we all know, consistency and high- quality care in Early Childhood is pivotal to a child's cognitive development. Therefore, staffing and all other daily routines will remain the same. However, we are excited to show off our new logo & branding as well as our new website with some enhanced features like easy online tuition payments at no extra charge, updated downloadable school calendar, photos, and more! We also have a credit/debit card device in our office for tuition payments, also at no extra charge.

The baby picture that you are seeing on the new logo is of my younger brother who passed away from a motorcycle accident on June 13, 2021. It is an honor to commemorate him by making him the face of my establishment. It shows how meaningful and cherishing Stanworth School is to me. In light of that, your children's safety, happiness and education will always come first.

As the new owner of Stanworth School, I am looking forward to meeting you all and working at building a trusting relationship with everyone. Please feel free to reach out to me if you have any questions or concerns, as we anticipate on making this transition as seamless as possible. Following CDC guidelines, please take advantage of our open door policy, as we will remain transparent throughout your child's journey with us. Thank you for sharing your children with me.

Best Regards,

Carline I. Dupont
