Department of Children & Families Office of Licensing INFORMATION TO PARENTS

Department of Children and Families Office of Licensing INFORMATION TO PARENTS Under provisions of the **Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52)**, every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review or you can view them online at <https://childcareexplorer.njccis.com/portal/>.

INFORMATION TO PARENTS (CONT'D)**

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Internet access may be available at your local library. For more information call the CPSC at (800) 638-2772.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the State Central Registry Hotline, toll free at (877) NJ ABUSE/(877) 652-2873. Such reports may be made anonymously. Parents may secure information about child abuse and neglect by contacting: DCF, Office of Communications and Legislation at (609) 292- 0422 or go to www.state.nj.us/dcf/.

Discipline Policy

Stanworth School will reduce the need for discipline by setting age appropriate, consistent limits, and clearly communicating the rules of the classrooms. Stanworth School's goal is to provide an environment that gives children the opportunity to learn, explore and succeed with the use of praise and positive reinforcement to minimize the need for disciplinary action.

Our staff is trained to be consistent and nurturing towards each child. Reasonable expectations help to keep conflicts to a minimum. Disciplinary action is rarely required when children are kept in a stimulated, nurturing and creative environment.

Stanworth School will NOT permit or tolerate the use of any abusive disciplinary methods, such as yelling, hitting, spanking, slapping, shaking, pinching, using profanity, withholding food or sleep, ridicule, embarrassment or humiliation of any child.

Methods of Discipline

1. Positive discipline, which shall include the following:
 - Communication to children using positive statements.
 - Encourage children with adult support, and to use their own words and solutions in order to resolve their own interpersonal conflicts.
 - Communicate with children by getting down to their eye level, and talking to them in a calm quiet manner about what behavior is expected.
2. Distraction: Change the child's focus to an acceptable activity without confronting the inappropriate behavior.
3. Redirect: Anticipate problems and intervene beforehand with an appropriate solution. Quiet time should not exceed more than 1 minute for each year of age of the child.
4. Quiet time shall only be used for purposes of allowing the child to regain control.

Initial _____

Expulsion Policy

Unfortunately there are sometimes reasons we have to expel a child from our program, either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child. The following are examples of reasons we may have to expel or suspend a child from this center:

Immediate Causes:

- The child is at risk of causing serious injury to other children or self.
- A parent threatens physical or intimidating actions toward staff.
- A parent exhibits verbal abuse to staff.

Parental Actions:

- Failure to pay fees/habitual lateness in payments.
- Habitual tardiness when picking up.
- Failure to complete required forms (including immunization records).

Child's Actions:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums or outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Biting.

A child will NOT be expelled if a parent/guardian:

- Made a complaint to the Office of Licensing regarding a center's alleged violations of licensing requirements.
- Reported abuse or neglect.
- Questioned the center regarding policies and procedures.

Proactive Actions That Can Be Taken In Order To Prevent Expulsion:

- Staff will try to redirect child from negative behavior.
- Staff will reassess classroom environment, appropriateness of activities, and supervision.
- Staff will always only use positive methods and language while disciplining children.
- Staff will praise appropriate behaviors.
- Staff will consistently apply consequences for rules.
- Child will be given verbal warnings.
- Child will be given time to regain control.
- Child's disruptive behavior will be documented and maintained in confidentiality.
- Parent/guardian will be notified verbally

- Parent/guardian will be given written copies of the disruptive behaviors that might lead to expulsion.
- The director, classroom staff, and parent/guardian will have a conference to discuss how to promote positive behaviors.
- Parent/guardian will be given literature or other resources regarding methods of improving behavior.
- Recommendation of evaluation by professional consultation on premises.
- Recommendation of evaluation by local school district child study team.

Schedule of Expulsion:

If after the remedial above have not worked, the child's parent will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsive action is meant to be a period of time so that the parent/guardian may work on the child's behavior, or to come to an agreement with the school.

The parent/guardian will be informed regarding the length of the expulsion period.

The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the center.

The parent/guardian will be given a specific expulsion date with as much advanced notice as possible.

Home Language Policy

Stanworth School is proud of its diversity! We make every effort to communicate with children and families whose primary language is not English. Parents are asked to share words in their home language with their child's teacher to help make their child feel more comfortable in the classroom. Teachers will attempt to label some of the classroom materials in the Home Language of the students. Parents are also encouraged to share books or other materials in their home language with the class. Non-English speaking parents are encouraged to bring with them someone who can help interpret and translate questions, concerns, and documents.

If your child is exposed to any excludable disease at the center you will be notified in writing. Children must be kept home if they show any symptom of illness. Illness Policy Waiver

We as parents are sending our children to Stanworth School in good faith and understand the risks during these unprecedented times. We recognize that the Stanworth staff is taking every precaution to keep everyone safe and well while attending school. We are making the conscience decision to bring our children around others where it is possible illness can be spread even with the best of precautions. We acknowledge that we must also adhere to the illness policy as stated below.

1. Parents must notify the director by email immediately if anyone in their household has come in contact with someone who has been possibly exposed to a contagious illness. The child must be kept home even if they are not displaying symptoms.
2. Parents must be vigilant in screening their children for signs of illness.
3. Parents agree not to give any medication to mask symptoms their children may be having.
4. At this time parents are not permitted to enter the building. Drop off and pick up instructions will be provided separately.
5. Parents are asked not to linger at the door. Communication with staff is encouraged over email or phone. Lengthier phone calls can be easily scheduled.
6. All adults (parents and staff) must wear face coverings while on school grounds including the parking lot. Children over the age of two are also highly encouraged to wear face coverings.
7. Parents must pick up children within 30 minutes of being contacted. Children who are sent home after displaying symptoms may not return to school without a negative test and/or doctor's note and/or after 5 days have passed depending on what the symptoms are.

The following are screening questions parents must consider every morning before drop off:

1. Does your child have a temperature of 100.4 or higher?
2. Has your child had any fever reducing medication administered?
3. Does your child have at least two of the following symptoms: chills, shivers, muscle aches, headache, sore throat, nausea, vomiting, diarrhea, fatigue, congestion, runny nose?
4. Does your child have at least one of the following symptoms: cough, shortness of breath, difficulty breathing, new loss of taste or smell?
5. Has your child had any close contact (within 6 feet for at least 10 minutes) with anyone diagnosed with Covid-19 in the past 14 days?
6. Is there anyone in your child's household that has these symptoms or has been diagnosed with Covid-19?
7. Has your child or anyone in your child's household traveled to an area of high community transmission?
